

Witcham Parish Council – Consultation on Play Equipment

Some of the multi-play equipment at the playground will require replacing soon. The Parish Council would like to seek your views on this and, in particular, what play equipment you would like to see at the playground.

Your response to this survey will enable us to build a picture of what residents wish to see and allow us to take into account as many views as possible and spend public money wisely. Please do take time to respond to the survey.
