

Dear Residents

Just a quick note to thank everybody for maintaining the community spirit throughout another strange year and for making Witcham such a great place to live.

The new Parish Council website is live <https://www.witchamparishcouncil.gov.uk>

and together now with the dedicated email addresses for Councillors will hopefully improve communications which have suffered with the loss of "What's on" and reduced face to face meetings.

Thanks to those that have been out litter picking during their walks and for those that helped with the organised litter pick.

A big thank you to those that donated trees or money for trees and those that helped plant the replacement trees on the recreation ground a few weeks ago.

We are making progress with getting together proposals for new play and outdoor fitness equipment on the recreation – please do come along to our open meetings on 21 or 22 January 2022 to find out more.

I would also like to thank my fellow Councillors, our District and County Councillors and our Clerk for all their help and support throughout year.

We all wish you and your families a Merry Christmas and a Happy New Year. Stay safe and well.

Mick Housden
Chairman, Witcham Parish Council
