

Recreation Ground

Tenders for the play and fitness project have been received and based on the public consultations earlier in the year, together with content of facility and costs, and reputability, a scheme offered by Wicksteed Leisure Ltd was felt to best meet needs: £49,785 including discount and carriage, plus VAT at 20%.

Total £59,742.

Pictures of the equipment and location herewith.

The Council is now in the process of applying for grant funding to support earmarked reserves in its budgets to cover costs before it will be able to move forward in finally agreeing a supplier.
